Creativity

## EXPERIENCE

### PHP DEVELOPER

(2011 – present)

I was employed as a CMS developer where I honed my principally self-taught PHP knowledge to build extensible and maintainable object oriented code within an MVC environment. I am senior programmer having 4+ year of I experience in PHP development that includes the complete System life cycle from requirement analysis, design, development, implementation, testing, and support. Created back-end management systems including PHP, Javascript, JQuery, Ajax, CSS3, and HTML5.

## EDUCATION

### BACHELOR OF ENGINEERING

(2007 – 2011)

From a Top Institute in India, INDIA
